

We are here for you.

Planning a funeral can be overwhelming, but you are not alone in this. We're here to support you throughout this journey and make this process one of love, healing, and life celebration.

What to expect when meeting with us for the first time

1. We'll provide you with a general price list to give you a basic idea of what our services cost.
2. We'll then ask you about your loved one to gain an understanding of the person the services will honor.
 - Sharing your loved one's life story.
 - Revisiting memories and highlighting their accomplishments.
3. We will give your family the opportunity to communicate your ideas, preferences, and thoughts on the service for your loved one.
4. Our professionals will use all this information to guide you in the creation of a personalized, meaningful celebration of your loved one's life.

"During one of the worst times of our life, the staff at Companion Funeral Home showed our family the utmost respect and compassion. Our experience was top notch. The staff listened and carried out our wishes respectfully and checked on the family several times. I highly recommend Companion funeral home and all their professionalism."
